Please enclose 6 printed photographs with a brief description of materials and price range. The images should be representative of the sort of work that you plan to exhibit. It must be your own work, no bought in craft will be allowed. These photos need to be good quality, preferably with the work shown against a plain background. We make our selection on the basis of these photographs, you should ensure that they cover all aspects of the work you intend to sell.

Please ensure you use the correct postage when sending them to us. The photographs will be non-returnable.

Please do not send images by CD or email at this stage. Digital images will be required for the website and publicity if your application is successful.

Please do not enclose a cheque with this application.
